Letter of Invitation

To whom it may concern,

I am the President of the Solana Foundation (the "Foundation"), a nonprofit foundation incorporated in Switzerland. On behalf of the Foundation, I am writing this letter to confirm that Francis Ohilebo is invited to attend Solana Breakpoint 2026 and Hacker House London taking place in London, United Kingdom between November 1 - 17 2026 at Olympia Hall, Hammersmith Rd, London W14 8UX. Francis is invited since he is an ecosystem participant.

Breakpoint is a global event organized to bring together the tech, policy, and institutional industries that are building on the Solana blockchain. The event provides an opportunity for networking, collaboration, and innovation focused on shaping the future of the industry. For more information on the event please visit the dedicated website: www.solana.com/breakpoint.

On behalf of the Foundation, we look forward to seeing you in London.

Thank you,
